Evaluation Criteria

1. The bidder who fulfills Technical Eligibility Requirement mentioned under technical eligibility requirement shall be declared technically qualified and financial bid in respect of only technically qualified bidder shall be opened.
2. The bidder who quotes lowest rates for the work in financial bid will be declared L1.
3. In case of tie in the rates, the work will be awarded to the agency who have more value of work experience in similar nature of work executed in the past three years for which separate sheet (work order with completion certificate) may be enclosed with documents.
4. The work shall be awarded to L1 bidder.

Scope of Work

Name of Work: Construction of boundary wall at Sun Temple, Thangadh, Dist. Surendranagar for the year 2025-26

The work includes earthwork in excavation for trenches and column pits, laying of plain cement concrete 1:4:8 in foundations, and construction of random rubble masonry in foundation and plinth with provision of 100 mm dia PVC weep holes at 1.0 m intervals. Coursed rubble masonry in superstructure with cement mortar 1:6 shall be carried out with proper raking, pointing, curing and provision of vertical expansion joints at specified intervals using fibre board and sealant. Reinforced cement concrete of mix 1:2:4 shall be provided in column bases, coping and other structural members, with steel reinforcement bars cut, bent, bound and fixed in position as per design. Structural steel angle sections shall be fabricated, erected and painted, and concertina wire fencing fixed above the wall with proper supports. RCC in walls, columns, pilasters, string courses and copings shall be executed with vibration and curing. Two MS fabricated gates of size 3.50 × 1.65 m each shall be provided with all fittings, primer and enamel painting. Centering, shuttering, scaffolding and curing for all RCC and masonry works are included, with all materials, labour, tools and plants complete as per drawings, CPWD specifications and direction of the Engineer-in-Charge.
